# BOLGIANO'S Fall Catalogue

*Capitol City  
Bulbs & Seeds*

F.W.Bolgiano&Co.  
WASHINGTON, D.C.

Dear Folks:

I am always glad when the time rolls around again to send out another catalog, for then I know that I shall greet once more my old friends and meet many new ones as well. It's hard to tell how many new friends are going to read this little book this fall. So many more people read each new catalog as it goes out, that at times we are surprised ourselves at the number of letters we get back.

It's strange how people get to know me. Sometimes, of course, they may see an advertisement in a paper and write to me. At other times they may pick up a catalog or circular that we send out, but most of all it seems to have been some neighbor who has told them about me and the nice gardens they grew from Capitol City Seeds.

You know this business of selling seeds is not so bad at times. I get so much pleasure out of selling folks good seeds and bulbs, and hearing from them afterward when they write in and tell what fine success they had. Then too, it's lots of fun and mighty interesting to be constantly on the lookout to see what new flowers and vegetables I can find or create. Be sure and look carefully through the pages that follow and pick out those new things that interest you.

Indeed I hope this little book proves of much interest to you and that I may be of service to you in every way you desire.

Faithfully yours,

FRANK W. BOLGIANO  
*or Mister "B"*

## SWEET PEAS

Splendid results are often obtained from sowing Sweet Peas in October or November. A perfectly drained soil so situated as not to be subject to too frequent or severe freezing should be selected, and the seed covered about three inches.

### Superb Early or Christmas Flowering Spencer Sweet Peas

These varieties are a welcome addition to our lists, for they flower several weeks earlier than the regular Spencers, and if planted with them you will have a much longer season of bloom.
